EDUCATION

Netaji Subhas University of Technology — Delhi
Bachelor of Technology, ECE , CGPA - **7.68** — *2019 - 2023*

Little Angles Sr. Sec. School — Sonipat , HR
CBSE Class XII — *2018 - 2019*

PROJECTS

OpenJourney | *React ,Nextjs , TailwindCSS , ExpressJS* — 2023
Github | Deployed

- Developed a web app to Generate an imaginative image through Stable Diffusion AI - midjourney v4 Model hosted on a GCP VM instance.
- GCP VM instance connected to REST API via SSH tunnels.
- REST API hosted on cyclic serverless functions.

AgriMan | *Flutter, Firebase* — 2022
Github | Deployed

- Developed an Agriculture companion app that shows crop stats from Firebase Database.
- Uses OpenAI API to answer questions. POST and GET operations on API.
- Updates sensor data (temp , moisture , humidity) in realtime. Pump control via App.
- Fetches weather data from OpenWeather API and displays it beautifully.

Saransh.me | *React, NextJS , TailwindCSS* — 2023
Github | Deployed

- Developed a fully responsive portfolio using NextJS , React , tailwindCSS.
- Added Vercel analytics to track and analyze site traffic.
- Deployed using vercel on Custom Domain

Expense Tracker App | *Flutter, Sqflite* — 2022
Github

- Developed an Expense Tracker app to keep track of your daily expenses with visual charts.
- fl_chart package used for creating pie chart and chart bar from the database.
- Used SQFLITE for database(created two tables - expenses and categories).

TECHNICAL SKILLS

Languages : C/C++, SQL , Dart , JavaScript
Frameworks : NextJS , React , Flutter, Express-Node.js , REST API , Firebase
Databases : Firebase, PostgreSQL, MYSQL , MongoDB
IT Constructs : OOPS , Operating Systems , Database Management Systems

ACHIEVEMENTS

- Contest Rating 1818(Top 6.4% Global), Solved 400 Problems on(Leetcode)
- NTSE Scholar , receive 25000 yearly scholarship from NCERT.
- Achieved a Global Rank 959 in Leetcode Biweekly Contest 82.
